

EASTER 2020 – “I AM LIVING, NOT I, BUT YOU ARE LIVING IN ME”

1. “Powerlessness: wanderers, loners, prisoners”

In the coming weeks, we will work on the [“I am living, not I, but You are living in me” booklet, available to download in pdf format from the CL website](#), which contains notes from Pigi Banna and Julián Carrón’s contributions via video link with members of Gioventù Studentesca (GS) on Holy Saturday, 11 April 2020.

Please note it is possible to send questions and testimonies to the webpage <http://eventi.comunioneliberazione.org/gscontributi/>

This week, we propose a study of pages 3-5 of the booklet, attempting to answer the question: **“What do I miss the most during this period of quarantine?”**
