

EASTER 2020 – “I AM LIVING, NOT I, BUT YOU ARE LIVING IN ME”

3. “Presences that are truly friends”

This week, we suggest a discussion of pages 8-11 of the [“I am living, not I, but You are living in me” booklet, available for download in pdf format from the CL website](#), containing notes of the contributions from Pigi Banna and Julián Carrón via video link with members of Gioventù Studentesca (GS) on Holy Saturday, 11 April 2020, attempting to answer the question: **“When have we felt loved in this period?”**.

Please note it is possible to send questions and contributions to the site <http://eventi.comunioneliberazione.org/gscontributi/>
